Interior Of Aditya

Garden Suites (5) are decorated in cool neutral colours with marble tiled floors that are amazingly transformed into a magical grotto at night as the myriad ceiling lights pick up a thousand dancing images in the overhead painting effects.

Sea View Suites (6) have a large sitting area comfortably furnished with wicker armchairs, low table and lamps and a desk. This leads through **French** doors onto a verandah overlooking the beach and **Indian Ocean**.

The Surya Suite is the largest of all, with two floors and a private outside plunge pool and lounge area. Both floors have views out to sea, as does the bed which sits grandly on the mezzanine level.

Aditya Restaurant

Fine Dining

The **Amal Restaurant** overlooks the beach. There are no fixed meal hours and the dining room can be wherever the guest chooses. In addition the restaurant offers a cosmopolitan menu, carefully chosen for discerning palates, with a strong emphasis on fresh sea food. Guests may request custom prepared meals from simple down south rice and curry specialities to fancy gourmet menus.

Facilities

Aditya offers ideal swimming and sunbathing conditions, with an expansive pool and a long, wonderfully secluded stretch of beach. Colourful tropical gardens, with their backdrop of mature trees and palms, are interesting by day and stunning in the evening against a fiery sunset.
